tests, for reasons unknown to him.

I had a short talk with Bob Bowie and Bob Schaetzel before they went off to the Foreign Office. Bob Schaetzel is staying with us at the house.

For the first time in months, E and I made some cocktail rounds in the early evening. Our first visit was to Nin Ryan, who has a flat overlooking Green Park. It was jammed with people fromthe artistic and political world. Then we went around to Nancy Lancaster's at 22 Avery Row, for a similar operation. It was fun seeing many old friends whom I do not ordinarily run into.
